Financial Certification

According to the information you provided to the International Scholar Center (ISC) for the J-1 visa, your primary financial support will come from sources other than UC Riverside.

Please submit documentation to verify the sources and amount of financial support in U.S. dollars, either copies of award letters from your sponsoring institution or a bank statement. Send the documentation to ISC at iscmail@ucr.edu with the signed copy of the enclosed Orientation Acknowledgment & Regulations for J-1 Exchange Visitor Form or hand it in at the required orientation.

The following amounts have to be certified as established by the UC Riverside administration:

- Principle (single) $1,400.00 per month
- With Spouse $1,800.00
- With one (1) child $2,000.00
- Each additional child add $200

In addition, you have to purchase health insurance as listed on the Important Regulations Affecting Exchange Visitor (J-1) Visa Holders form.

I certify that I will have the required financial support and health insurance coverage during my stay in the United States on a J visa status. (in addition, my dependents).
